

## Site Based Interview Training

If you are interested in serving on an upcoming interview team, but have not yet been trained, please plan to attend one of the Site-Based Interview Training sessions. Please be aware that ALL persons involved in the site-based screening and interviewing must have attended this training. Sessions are open to all administrators, certificated, and classified employees, as well as parents, students and community representatives. If you know staff or community members who might be interested, please alert them. **To register**, please e-mail Regina Redmond, [redmond@washingtonea.org](mailto:redmond@washingtonea.org) or call 283-8443. **To ensure space for everyone, pre-registration is required.**
