

## Ronnue Mc Thomas

My name is Ronnue Mc Thomas and I am running for the position of Para Vice President for Seattle Public Schools. I am committed to advocating for the needs of para-educators and ensuring their voices are heard in decision-making processes. With eight years of experience working in education, I understand the invaluable contributions para-educators make to the success of our students and schools. If elected, I will prioritize improving working conditions, advocating for fair compensation, and fostering professional development opportunities for para-educators. Additionally, I will work collaboratively with school administrators, teachers, and community stakeholders to address challenges and implement solutions that benefit all members of the school community.

Together, we can create a supportive and inclusive environment where every para-educator feels valued, empowered, and equipped to make a meaningful difference in the lives of students.

Please vote for me as your Para Vice President to champion equity, collaboration, and excellence.
