

Ashley Myers

I'm Ashley Myers, a Career and Technical Educator, teaching in Seattle Public Schools since 2012. I have been a Association Representative from 2013-2019 at Roosevelt HS and from 2019-2023 at Lincoln HS. I have served on SEA's Board of Directors as a High School representative since 2022, and I am seeking to serve a second term. During the 2022 bargain, I served on the Membership Action Team, joined Contract Action Team meetings, and served as a Zone Captain. I am a proud union member, dedicated to serving SEA members. I have been thrilled about our work to increase training and education of members by member leaders. I wish to increase two-way communications between members and leadership. As we navigate budget cuts, I am prepared to do the work to ready the Seattle Education Association to have all bargaining leverage options available as we prepare for the 2025 bargain.
