

Sherrill Vaughan

I am nominating myself for Member at Large. I want to continue to support SEA while learning the inner workings of the union. I have been involved in unions throughout most of my work. I was a shop steward for the Federal Union.

Since I joined SEA,

- I canvassed members and potential members during the summer.
- Worked on strike preparedness.
- Trained on soliciting new members then called and invited them to coffee to discuss the benefits of membership.
- I am an AR.
- I presented at the SAEOPS March Madness Professional Development.

I appreciate your support for my candidacy.

Thank you.
